President's Report – Pat Killpatrick

Congrats to Dave Lanham – he was recently named District 5 Athletic Director of the Year!

Thank you to Zandra Reynolds for her awesome job running the mulch sale again. We SOLD OUT and delivery went well. Per Zandra: The total profit was \$16,326.41. \$7,727.50 went back to the teams. Top teams for donations/sales were: track, tennis, baseball. Top teams based only on mulch sales were: track, boys' soccer and football. 2 \$50 gift cards were awarded to Josh Stelarzyk (tennis) and Sam Barranco (baseball) in a random drawing from all student volunteers.

Deadline for applications for Booster Scholarships was 4/1. There are 25 applicants. Scholarships will be awarded at the Senior Awards ceremony on May 16.

There are still open board positions for Mulch Sale and Concessions for next year. Please contact Pat if you can help.

Booster Bash is scheduled for Sept 24, 2016 and is a Tex Mex Fiesta theme catered by Chevys. Our goal is to raise \$15,000. Lee Norwood has volunteered to chair the event. Per Lee, she needs help with volunteers for the committees. She would like reps to help identify parents that can help, identify a large gift or nice donation item from each team, and get a basket organized that can be auctioned off. Please email your teams and ask for volunteers and email Lee with information.

Pat would like to form a committee to discuss Booster Membership and how to increase our numbers. He would also like to form a committee to discuss Concessions. If you are interested in helping out or have thoughts on either PLEASE contact Pat.

Bob Hallet will be forming a committee to discuss a Capital Campaign to raise money to be used for the new stadium. Please contact Bob if you would like to be part of this exciting project – the new stadium is scheduled to be completed in Spring 2018 and we have the opportunity now to make it amazing! Ideally we would like to have a digital scoreboard that could provide a future income source for Boosters from advertising.

Membership Report – Frederica Becnel -absent

Membership is currently at 50.4%. Fall sports registration will have a link to Booster membership per Dave Lanham.

Athletic Director's Report – Dave Lanham

Thanks to all coaches in attendance. In 5 months our indoor athletic facilities will be OPEN!! The county provides some basic equipment for indoor concessions but Boosters will have to pay for the remainder.

All spring teams that can be ranked are ranked in TOP 15!
