

Welcome and call to order by Pat Killpatrick. Pat recognized and thanked team reps with senior athletes for their service to Boosters.

Administration Report – Lindsay Abruzzo

Kevin Rutledge, currently serving as the AD at Meade HS, has been selected as the new AD for Severna Park effective July 1. An official press release is ready for circulation. Matt Rogers has accepted the Assistant AD position. Pete Buck has accepted at PE position at SPHS. Mike Wright has been named the new head varsity football coach.

Secretary's Report – Jennifer Weist

The April meeting minutes were circulated via email prior to the meeting and were approved as written. She asked team reps to make updates to the sign-in sheet as it circulated.

Membership Update – Christina Powell

Team membership reports were sent to reps via email. The membership percentage for the spring sport season was 93%. Varsity and JV Baseball, Boys and Girls Varsity and JV Lacrosse, JV Softball and Tennis all achieved 100% membership for the season.

Treasurer's Report – Sharon Burke

Sharon reported that the Team Account google sheet was updated with all spring activity. Mulch sale profits have not yet been added because there are still outstanding expenses that have not yet been reconciled.

Concessions Chair – Sharon Burk

The Outdoor Concession Stand was inspected by the Health Department and there was a short list of findings that must be addressed before the fall concession season begins. The indoor stand could not be inspected because it was not operational during the spring season. Sharon announced that there was still a need for a Concessions Chair for the 19-20 school year. A discussion of options, including having a school club run the operation much like what is done with the school spirit store followed. The Stand Manager model is working and should be continued. Sharon will share a job description of the Concession Chair role and a Concessions Committee will be formed to discuss options moving forward.

President's Report – Pat Killpatrick

Booster Scholarships: The Booster Scholarship winners were announced at the Senior Awards Ceremony on May 23. Sophia Dutton was awarded the Wayne Mook Honorary Education or Science Scholarship, Julie Myers and Austin Persico were awarded the Tom Williams Honorary Scholarship, Kathleen Bray was awarded the Herzberg/Wild/McDavitt Memorial Scholarship, and Sophia Dutton was awarded the Elmer McPhail Lifetime Sports Honorary Scholarship.

Officer Positions: Pat announced that the current officers would continue in their roles for the 19-20 school year. Sharon does need to give up the Concession Chair role and a new President and Treasurer will need to be elected for the 20-21 school year. Reps were encouraged to reach out to Pat if they or a parent from their team are interested in a leadership position with Boosters.

Bocce Court Project: The fundraising plan for this project has not been successful. The timing of the fundraising activities with them coming after the installation has led the community to believe that the funding needed has already been raised. The Go Fund Me campaign did meet it's \$10,000 goal thanks to a generous donation of the Antinucci family. The corporate sponsorship outreach has been paused because there is not a clear answer regarding the ability to erect a sign adjacent to the courts.

The State Championship Banner Auction has not gone as planned. It will be carried over into the fall and will close on October 1.

Mulch Sale: Pat thanked everyone for their support of the mulch sale. It's a great fund-raising event that basically runs itself. There was a discussion about the roles that athletes are expected to fill with regard to loading/unloading and delivery of mulch bags and misunderstandings regarding the Booster Rep's role with solicitation of team sales and athlete volunteers for the pick-up delivery day. These concerns will be address for the next year's sale.

New Business – Pat Killpatrick

Kelly Elgert Scholarship: Dierdra Murphy presented a request to create a Booster Scholarship in memory of Kenny Elgert. Due to a low attendance, the motion was tabled and will be considered in the fall.

Outdoor Scoreboard Sponsors: One of the sponsors (Choice One) has left Severna Park and will need to be replaced on the stadium scoreboard before the fall season. Larry Sells has already identified a business for this sponsorship. Boosters will need to pay for the panel replacement.

It was suggested that table tents be made for members so that names and team affiliations are clear during meetings. This will be implemented in fall.

With no other business, the meeting adjourned.
