New Business

Voted to split mulch sale profits of \$1.00 per bag between teams if athlete plays more than one sport.

Jim Henstrand brought up the possible idea of switching the booster meeting night to later in the month if we want prior month financials at the meetings

Jim also thought we should add a clause to the by-laws in reference to loans from boosters to specific teams. There should be a set time frame for paying the loan back to boosters. We discussed setting a time frame of thirty (30) days after season ends to have the loan repaid.
